"THE SHREDDED WHEAT HABIT"

Have you got it? It's a good habit to get for it means good digestion, strong muscles, clear brain, good health.

Whether you like Shredded Wheat or not depends largely upon how it is served. Here are two ways of acquiring the "Shredded Wheat habit"—try it for breakfast this way:

Heat the biscuit in an oven to restore crispness—don't burn;—pour hot milk over it, dipping the milk over it until the shreds are swollen; then pour a little cream over the top of the biscuit.

Or, if you don't like milk or cream or find them difficult to digest, try this:

Heat the biscuit in an oven to restore crispness, and then dip it quickly in hot salt water; while it is still hot place a chunk of butter on top of the biscuit. Let the butter melt and mix with the shreds before eating. Many find this the most appetizing and the most agreeable to the stomach.

All this as to WAYS of eating it. Why you should eat it, how it is made, why it is the cleanest, purest and most nutritious cereal food made is another story and a larger one. We have told it in our beautifully illustrated new booklet, "Shreds of Life," which will be sent free for the asking.

"OUR HONORED DEAD."

In the ever moving column,
Passing out with silent tread,
Read the record, tender, solemn,
The roll of "our honored dead."

Add one more name to the journal,
For one more the goal is won;
While sweet from heights eternal,
Comes the Master's word "Well done."

Nothing 'gainst him, was the story,
Repeated from year to year,
Now the dear Lord's, 'Share my glory,'
Breaks on his enraptured ear.

So from green leaf and from golden,
They pass out, named on our roll;
While in loves arms enfolden,
Swiftly flies, to God, the soul.—M. H. M.

REPORTS

AUDITING COMMITTEE'S REPORT.

Having examined the accounts of the Secretary of Conference, presiding elders and treasurer, we find the same to be correct.

PHILO E. BARTLETT, Chairman.

WOMAN'S HOME MISSIONARY SOCIETY.

We heartily appreciate the work which the Woman's Home Missionary Society is doing throughout our church in all its varied departments.

We take special pleasure also in noting the decided advance made in the work of our Conference society, both financially and numerically.

H. M. MOBBS, Secretary.
GABRIEL SYKES.
H. N. ROUNDS.

BIBLE CAUSE.

Recognizing the fact that the American Bible Society is a potent factor in the evangelization of the world, and that it has done and is doing much in the hands of God, to disperse the shadows of ignorance, and to bring the light of christian civilization to all benighted people;

Therefore: Resolved, that we indorse the society and pledge it our hearty co-operation.

HISTORICAL COMMITTEE.

The Historical committee beg leave to report that having met and after consideration, would recommend the bishop be asked to appoint a Conference historian, who shall be empowered to gather all historical matter pertaining to the Columbia River Conference and compile the same in due form, to be perpetuated in the history of this Conference.

J. J. M'ALLISTER.
JOHN P. BARKER.

COMMITTEE ON EPISCOPAL FUND.

We, your committee on Episcopal Fund, find the following facts for the Conference year:

Apportioned to the four districts, $866.00; amount paid, $628.00, leaving a deficiency of $248.00. Therefore, in view of this great deficiency, amounting to almost one third of the apportionment, be it re-

solved, that we, as pastors have fallen short of our duty, and ought to assume greater responsibility in meeting this obligation to our beloved bishops.

W. E. ARMFIELD.
R. A. ARMSTRONG.
J. L. CARPENTER.

PRISON MISSION WORK.

Your committee on Prison Mission Work report that under the superintendence of Warden Frank Kees the police and sanitary regulations of the Washington state penitentiary in which there are now 767 convicts are all that can be desired. Also, that the constitutional amendment providing for the appropriation of money to the support of chaplains for the penal institutions and reformatories of the state was ratified by popular vote at the last general election. Also, that a bill introduced by the Hon. Lee Johnson creating the office of chaplain of the state penitentiary was passed by the legislature and signed by the governor Feb. 27, 1905. Also, that Rev. John LeCornu was appointed to this position June 9, 1905, by Governor Mead.

In conclusion we would express our appreciation of the promptness with which the legislature and the governor acted upon every measure suggested by your committee.

R. J. REID.
HENRY BROWN.
W. J. WHITE.

TEMPERANCE AND PROHIBITION.

The saloon is a cancer in public morals. The aggressiveness of the rum power in financial and political lines imperils the life of the nation. The Woman's Christian Temperance Union, with a unique organization and a noble history; the Prohibition party, with the motto emblazoned on its escutcheon, "no compromise with sin and no revenue from rum;" the Anti-saloon League, seeking to unite the temperance forces against the common foe, all are actively at work among us. We rejoice in what they have acccomplished and bid them God speed for the future. But the church of the living God must not simply be a servant or an ally of these organizations; we ourselves and within ourselves must be a power for righteousness. The greatest enemy of wrong is a regenerate heart, a clear mind and an undaunted soul. We urge upon the church that she act with the courage of her convictions; that she withdraw from entangling alliances, and that she bare her sword for God and home and native land.

We recommend that W. B. Eakin be reappointed to the work of organizing Prohibition alliances in the state of Washington.

We recommend the selection of H. I. Rasmus and R. J. Reid for trustees of the anti-saloon league for the state of Washington; the pastor of Moscow (to be appointed) for trustee for Idaho, and W. C. Evans and J. J. McAlister for Oregon.

M. H. MARVIN, Chairman.
F. R. SPAULDING, Secretary.

CHARITIES AND REFORM.

One of the great private charities of the state of Washington is the Washington Children's Home Society. In the nine years of its work more than 600 children have been placed in christian homes. During the past year 284 children received the fostering care of this society. Of this number 124 were received for the first time, 60 were returned for replacement, and 100 received such temporary care and assistance as their cases demanded. About 100 children have been placed in homes, 20 during the past year, in eastern Washington and Idaho. This society is organized under the plan now adopted in 32 states. It is interdenominational—a great home missionary enterprise, and received the highest award at the St. Louis world's fair for the best plan of caring for homeless, neglected and abused children.

Resolved, therefore, that we approve of this plan of uniting all denominations in this child-saving work, and that we will heartily welcome and co-operate with the represenatives of the Washington Children's Home Society.

F. R. SPAULDING, Chairman.
GABRIEL SYKES, Secretary.

WOMAN'S FOREIGN MISSIONARY SOCIETY.

Realizing the great work of the Woman's Foreign Missionary Society in reaching after the lives of the teeming millions, who are strangers to Jesus, the Son of God, and knowing the need of the co-operation of all our ministers in assisting in this good cause, therefore, be it

Resolved, that we as ministers of the Columbia River Conference, acknowledge the earnestness of this splendid society in maintaining the spirit and increasing the intelligence of the foreign missionary work in the churches of our Conference, and therefore inspiring support, and maintaining those who have given up all things of earth to further the Masters kingdom in the lands of darkness.

That we encourage the co-operation of all our charges with the Woman's Foreign Missionary Society, as provided by the discipline.

C. T. COOK, Chairman.

REPORT ON TRACTS AND SUNDAY SCHOOL UNION.

We recommend:—

1—That every pastor shall send for a copy of the Report of the Tract Society, and for the catalogue of its publications, which may be had without cost, and inform himself with regard to the work that is being done by the society, and so be able to explain it to the people.

2—That in all our churches the collection for the Tract society be taken, and an earnest effort be made to largely increase the contributions for the cause, and

3—That pastors take thought concerning the use to which they can put tracts in the work of their pastorates, and that all churches taking collections for the Tract society ask for carefully chosen tracts for their use to the value of one half of the annual collections taken, and beyond that purchase, as they are able to use most helpfully in their various communities.

4—That there be appointed a Sunday School secretary for this Conference to co-operate with the secretary of the Sunday School union in all matters relating to Sunday School interests.

FOUNTAIN H. WALKER.

STATE OF THE CHURCH.

It is with gratitude that we note the disposition on the part of our church to enter new fields where the people are needing the gospel. We believe the church is on the eve of a forward movement along revival lines such as she has not experienced for many years. Loyalty to the Methodist standard, a more universal preaching of the fundamental doctrines of the church give great promise of an abundant harvest of souls. Increased benevolent collections indicate a deepening of the spiritual life of our people.

We are thankful for the advances made by our Deaconess' Homes, educational institutions, and philanthropic enterprises.

We feel it necessary that the Epworth League be thoroughly organized on each district. Realizing how great a factor it has been in the work we feel that no effort should be spared by the pastors and officials in general to make this one of the most efficient departments of the church.

With a feeling of regret we note the tendency among some nominal christians to be careless about strict observance of the Sabbath, and to show indifference in regard to the liquor traffic.

We urge our preachers to hold the Bible standard constantly before the people.

In conclusion we feel that a faithful adherance to the standards of

Methodism will make her lead in every good thing needed to capture the world for our Lord.

BOARD OF CHURCH EXTENSION.

Your committee on Church Extension desires to emphasize certain facts that should be of peculiar interest to the members of the Columbia River Conference.

The Board of Church Extension bears another relationship to the Columbia River Conference than that of an object of benevolence. It is a clearing house for the benevolence of the entire church much in our interests. We are privileged to draw from its treasury three dollars for every one dollar that we put in. During the coming year we are asked to raise $1500 by collections and are authorized to draw $4500 for the building of churches within our bounds. If the entire appropriation is raised, Dr. King has promised an additional gift of $500, or two special grants of $250 each, for the work of church building in this field.

With these facts in mind we strongly urge upon every pastor and presiding elder the plain, common sense, business proposition that it would be extremely short-sighted to fail to take full advantage of this splendid offer, which will enable us to invest in church buildings more than $300 for every $100 which we can raise from our people.

We also desire to express our appreciation of the personal visit to Columbia River Conference of Dr. James M. King, corresponding secretary and executive head of the Board of Church Extension. His work in conserving the interests of this board has been invaluable. We most heartily congratulate him on the fact that the annuity fund has been so securely safe guarded and that the loan fund has been reinforced by donations and the collection of long outstanding loans so that it can again resume its beneficent work of aiding in the erection of churches by means of new loans in places where they are greatly needed.

We are asked to emphasize the fact that the Board of Church Extension will send copies of their beautiful map free of all expense to Sunday Schools and Epworth Leagues, that they may hang as object lessons upon the walls of the assembly rooms of these organizations; and also that they will send free of expense to any pastor any number

of documents and services, programs and collection envelopes, to be used in taking his collection.

OUR BOOKS AND PERIODICALS.

Your committee on Books and Periodicals beg leave to report as follows:

We are grateful to Almighty God for His continued blessing upon our Book Concern, it having grown from a liability of $600 until its combined capital, reserve fund and undivided profits amount to nearly four millions of dollars, and its sales the past year exceed two million dollars. We appreciate the fact that a dividend of $120,000 is now being distributed among conference claimants, of which $781 has just been received by our Conference, an increase of $138 over last year.

We learn with pleasure that our enterprising western agents, Jennings & Graham, are so increasing the facilities of the San Francisco depository that it will be no longer necessary to buy from eastern houses in order to secure prompt shipment of goods. We recommend that all our trade be given to the house in San Francisco.

We are glad to note that the quality as well as the quantity of our books and periodicals is steadily improving. Especially is this noticeable in this year's list of books.

We especially commend the Epworth Herald, the most successful young people's religious paper in the world. It should have a place in all our homes where there are young people and children who can read. The Junior Worker's Quarterly should be read by all our workers among children. The Epworth League reading courses are to be highly commended.

The Methodist Review should be welcome to the study of every

Methodist preacher. We are pleased to know that it is contained in the course of study and reading for undergraduates.

Our Sunday school periodicals are unsurpassed, and for our use are unequalled. We earnestly urge our preachers and people to discourage the use of all other periodicals in our schools.

Last but not least we call attention to our local paper, the Pacific Christian Advocate. We are glad to believe that the long, dark night of uncertainty and finanical loss is ending and that the bright morning of prosperity begins to dawn. We are highly gratified at the marked improvement in the Advocate during the year past and we pledge to the publishers and editor, Dr. Rader, our cordial and zealous endeavor to place the paper in all our Methodist homes. We urge our preachers to comply with the requests of the editor and send him items of news and experience, and whereas certain inaccuracies have occurred in the historical sketches of some of the charges, we caution our preachers to be absolutely correct if possible in reporting such data, as the files of the Advocate will be consulted freely by future historians of the church.

We have been delighted with the presence and addresses of Brothers Graham, Waltz and Rader, and wish them God speed in their chosen work.

ANDREW MONROE, Chairman.
WM. M. SPOOR, Secretary.

BOARD OF STEWARDS.

The Board of Stewards submit the following report:

We note with pleasure the increase of $118.00 over last year's collection for the Conference claimants. With this increase, however, the funds fall far short of the amount required to give our superannuates and their families a comfortable support. We recommend, 1—That all the pastors strictly adhere to the rule passed by this Conference of raising two per cent of their salaries, including missionary money, for the Conference claimants; 2—That the pastors watch for opportunities on their respective charges for bequests to be placed in the hands of the Conference trustees to be placed in a permanent endowment fund for superannuates. 3—As some of the Conference claimants have not been represented by their pastor or presiding elder, we urge the pastor and presiding elder to be sure that the claimants on their charges be properly represented before the board of stewards as the discipline requires.

We nominate as a commission to adjust the question of conference claimants with the Idaho conference the following: M. H. Marvin, Robt. Warner, J. S. Anderson, John Evans.

REPORT ON EDUCATION.

The great importance of the matter intrusted to your committee has grown upon it with investigation of the subject, the field and the prospects. The Conference has no institution of learning within its own boundaries to fret its deliberations or to claim its fostering care. With full conviction of the vast territory within our borders unoccupied by denominational academy, college or university, we sincerely hope and recommend that no action be taken by this Conference looking toward the inauguration of a college or university to become a cause

of finanical plague to this body for years to come. In our opinion nothing above a school of academic grade could at the present time and under existing conditions be sustained or long survive, and we would have another school of higher grade added to our already long list of college casualties. We do, however, reaffirm our fullest faith in and fidelity to the cause of higher education, and rejoice in the splendid advance our church has made in this matter and in the princely increase of gifts to it. We are firmly convinced that in an educated ministry and laity lies the hope of a redeemed world.

To the youth of our church who are looking for a completed education we unhesitatingly declare our conviction that no better college and university opportunities can be found than in our own Methodist institutions. They should be patronized by them, and not so much because they are Methodist schools as because they are as good as any others.

To the young men who may be contemplating the fullest qualifications for the ministry we recommend the theological schools under the care of our own church. Garrett Bibical Institute at Evanston, Ill.; Drew Theological Seminary at Madison, New Jersey; Boston School of Theology at Boston, Mass.; and Grant School of Theology at Chattanooga, Tenn. Could your committee recommend any one thing that it sincerely wishes might become an established fact in the history of all our schools it is this, that upon them might be breathed the holiest spirit of revival power and spirituality. We would feel safer if in sending our children to college we knew they were in the midst of such conditions. We think devoid of this the Methodist Episcopal church has no mission in the educational field.

OTHER COLLEGES.—We express our appreciation of the gift from the board of trustees of Whitman college of a free scholarship to the Methodist Episcopal church in the Northwest, this scholarship to be given to a student preparing for the ministry. And we would suggest to the Conference the appointment of a committee to select the one to whom this gift may be applied.

Particularly would we call attention to and recommend our schools within the territory of the Northwest. There are two of these admirably situated. Willamette University, located at Salem, Oregon, the oldest of our colleges on the Pacific coast. Rich in history, large in the possibilities of the future. We recognize a renewed confidence in this historic school under the admirable and efficient presidency of Dr. John H. Coleman, who has self sacrificingly expressed his willingness to put his life into this noble enterprise. There is a pressing demand for a building to home the college of medicine. We cordially urge our people with money to give, to aid him in this addition to the school. We recommend for election by this body as trustees the following: Dr. Wilmot Whitfield to fill the unexpired term of Dr. G. M. Booth;

Robert Warner and Henry I. Rasmus. As Conference visitors, the pastors of Goldendale and The Dalles.

University of Puget Sound, located at Tacoma, Washington. It is with pleasure that we note the advance that this seat of learning has made in both material acquisition and in the confidence it has gained in the public mind. Under the wise and splendid leadership of the president, Dr. Joseph E. Williams, the future is bright with hope. Financial help is the one great need of the University just now, and it ought to have it. We recommend for election by the Conference for trustees: L. F. Barnes, James Fraser, and for Conference visitors the pastors of North Yakima and Ellensburg.

It is the profound feeling of your committee that it is the duty of the four Northwest Conferences to put forth renewed and increased effort to make both of these schools successful. With the hope that the far off years of the future will disclose the wisdom and golden fruitage of our labors in this direction we submit this report.

HENRY I. RASMUS, Chairman.

In connection with this report, scholarships for students preparing for the ministry in Willamette University were announced as gifts of the following brethren: John H. Coleman, 2; Henry I. Rasmus, 1; Henry Brown, 1; Alfred H. Henry, 1; H. D. Kimball, 1; W. W. Carr, 1; John Sarginson, 1; U. F. Hawk, 1; W. T. Euster, 1; C. E. Gibson, 1; H. C. Clark, 1.

FORM OF BEQUEST.

"I hereby give, bequeath and devise to the Columbia River Conference of the Methodist Episcopal Church, a corporation organized under the general laws of the state of Oregon, the following described property, to wit: .....,
said property to be held and used by said Columbia River Conference for the benefit of Conference claimants and not otherwise and the same shall be devoted to the interests of said Conference claimants in such way as said Columbia River Conference may hereafter designate and provide."

REPORT OF THE COMMITTEE OF DEACONESS HOME AND HOSPITAL.

We appreciate the presence and remarks of the Rev. E. R. Willis, the president of the SanFrancisco Deaconess Training School. We assure him of our sympathy with his work and pledge him our hearty co-operation. We take pleasure in commending the work of the Spokane Deaconess Hospital and Home as that of a Christian benevolent institution of the highest order.

The success of this institution under the able superintendency of Miss M. J. Comstock is such that a new building and larger equipment are needed.

Therefore: Resolved that we support by our sympathy, our prayers and active co-operation the following appeal:

AN APPEAL.

In view of the special need of this philanthropic and Christian work in which every friend and would be helper of humanity in its time of physical suffering should be interested, we appeal to this Conference and through this body to the people generally to make the erection and completion of the hospital building now in process of construction a certainty during the next twelve months.

To attain this end we urge you to take such action and to devise and carry out such plans as will make this the special work of this Conference for the coming year. Enlisting the aid of the Bishop, Presiding Elders, Pastors and all other church officials and members of the church and friends generally throughout the bounds of the Columbia River Conference to raise the $14,000 necessary for the completion of the east wing without debt or incumbrance.

Thanking all who have during these years aided in this work, we now appeal to you to crown your past sacrifice with a triumphal success by making this a special claim upon the liberality of the people for this ensuing year.

Signed: W. C. SMITH, Chairman.

PACIFIC CHRISTIAN ADVOCATE.

Recognizing the necessity for a first class Methodist paper, devoted to the interests of our church here in the Pacific Northwest, we gladly give expression to our sincere gratification at the marvelous improvement that is more and more apparent in the appearance, subject matter, literary finish and editorial tone of the Pacific Christian Advocate.

We, therefore, extend to Dr. Rader, the editor, our hearty congratulations on the success attained and the ability displayed in his most important but difficult position, and we assure him that he may depend upon our hearty co-operation in securing an increased circulation for the paper throughout all the conference during the coming year.

HENRY BROWN.

MOVED BY D. C. SANDERSON,

That this conference regrets that Bro. R. J. Reid has been compelled by sickness to return to his home in Walla Walla, and will pray that if consistent with the Divine Will he may speedily recover his health and strength. The secretary to send a copy of this resolution to Bro. Reid.

COMPLIMENTARY RESOLUTIONS.

An extraordinary conference is about to adjourn. Par-excellent in its attendance, splendid entertainment, wholesome uplifting teaching, spiritual fervor and noble service of our beloved Bishop's helpful ministry. We would not forget to express our gratitude to Almighty God for temporal and spiritual things during the past year, and for this

Annual Session affording rich blessings in the co-mingling with the gifted souls of our Zion. Enthusiasm gives us a thrill of delight, and a mightier hope fills our hearts, therefore be it

Resolved, That we hereby extend our heartfelt thanks and highest appreciation of our beloved Bishop William Fraser McDowell, D.D., L.L.D. That we thank him most heartily for his brotherly interest in each member of the conference; for the dispatch and dignity which has characterized his administration, and thank Almighty God that he has let loose a thinker on this planet with a tender and devout heart. Such a man Emerson had in mind when he said, "A word warm from the heart enriches me." We will ever pray God's rarest blessings upon him.

Resolved, further, That we have enjoyed and been greatly profited by the presence of Dr. A. B. Leonard, Gen. Sec'y. of the Missionary Society, Rev. T. M. King, D.D., Gen. Sec'y. of the Board of Church Extension, Rev. E. M. Randall, D.D., Gen. Sec'y. of the Epworth League, Miss Comstock, superintendent of Deaconess work in Spokane, and Rev. Dr. Willis, superintendent of the Deaconess Training school in SanFrancisco.

Resolved, further, That we have been highly favored by the presence of Rev. J. H. Coleman, D.D., Pres. of Willamette University, the Rev. J. E. Williams, D.D., of the University of Puget Sound, the Rev. D. L. Rader, D.D., editor of the Pacific Christian Advocate, Mr. E. R. Graham, junior member of Jennings & Graham, and Rev. H. MEMOIRS.

The stroke of death on Friday afternoon, July 14, 1905, took a good man away from earth and left The Dalles district without a presiding elder.

George Minor Booth was born in Lee county, Iowa, Jan. 2,1852, came with his parents to Oregon when he was but an infant and lived the remainder of his life in the Pacific Northwest. He was married to Miss Clara Staats, by the Rev. N. M. Skipworth near Monmouth, Ore., Jan. 3, 1878. This was a blessed and happy union in life. To them were born five children, Daisy Viola, Winifred Belle, Augusta Cordelia, George Wilford and Warren Ross. The wife and all the children except Winifred are still living. Bro. Booth's aged father, the Rev. Robert Booth, of the Oregon conference, still lingers on the shores of time, while four brothers and seven sisters survive. Our departed brother was admitted on trial into the Columbia River Conference of the Methodist Episcopal church in 1882, and spent his entire ministry in this conference. He loved the Columbia River Conference and evidenced that love by his work and by his unbroken connection with it. His conference honored him and he honored his conference. Three times he was selected as a presiding elder, being first appointed to that office by Bishop Foster at the age of 34 years. Three times he was elected to the General Conference; for four years he was a member of the Book committee, the most important commitee in our great church. Besides, he was appointed by the Bishops to a place on "The Twentieth Century Forward Movement Commission." In all these high and responsible positions he served with credit to himself and with honor to the church. Bro. Booth's health began, noticeably, to decline early last spring. At this District Conference in May it was quite apparent to the brethren that their presiding elder was physically a broken man, and they voted to him what was intended to be practically a vacation for the entire fourth quarter. But G. M. Booth was a man of quick and keen perception, he was a man of sensitive sensibilities—he was a man of vision—he saw that the harvest was great and that the reapers needed counsel and aid, so against chilling winds and under burning suns he toiled on, notwithstanding the fact that the announcement had come from the physician's lips that the physical heart was giving way—he toiled on until the end came at his home in The Dalles, July 14. A prince in Israel has fallen, a true, faithful, efficient servant of the church has been removed from our midst. When death came he was closing up the third year of his second term as presiding elder of The Dalles district. He was a strong man among men and an able leader of men. He possessed the elements which gave to him the secret of leadership. Kindness, firmness, when

it was necessary to show firmness, and good judgment. There was given to him the faculty of rare insight to the abilities and merits of men. His own spirit was warm and cordial, indeed, he was one of the most brotherly of men. As a christian and preacher, he was of spiritual frame of mind and heart. In his sermons and public addresses that form and character of speech which appealed directly to the hearts of men predominated. He moved men by speaking intelligently and directly to the hearts of men.

The Methodist Congress, in session in Portland, Oregon, at the time when Bro. Booth passed away, showed respect and honor to his memory and manifested true sympathy for the bereaved family by sending to The Dalles a large and able delegation to attend the funeral. The obsequies took place in his home church at the Dalles, and were in charge of the pastor, Walton Skipworth. The choir rendered selections of beautiful and appropriate music. The Rev. D. L. Rader, D. D., editor of the Pacific Christian Advocate. led the large congregation in prayer. The Rev. A. N. Fisher, D.D., formerly editor of the Pacific Christian Advocate, read the Holy Scriptures. The pastor gave a brief sketch of the departed one's life. The Rev. U. F. Hawk presiding elder of Spokane district, spoke in memory of Bro. Booth on behalf of his own conference, the Columbia River Conference. Dr. Fisher represented the Oregon Conference and gave utterance to feelings of high esteem for the deceased and tender sympathy towards relatives and friends. Dr. Rader delivered a short address on behalf of the General Conference, and Bishop David H. Moore spoke feelingly and fittingly for the church at large. The Rev. D. V. Poling, pastor of the Congregational church, offered the closing prayer and pronounced the benediction. The remains of our brother and friend and presiding elder were interred in Lee Mission cemetery, Salem, Oregon, on Monday, July 17, 1905.

In a large degree, and for many years, he was the man who bore the influence of the Columbia River Conference and of the Methodism of the Pacific Northwest in the great Councils of the church. Long may his memory be green.

This is the School that not only prepares its Students for positions, but secures positions for them. It has done this for hundreds of others and will do as much for you.

During the past year we have enrolled seven hundred students and expect to reach the thousand mark this year. It pays to be at the best and costs no more.

Our graduates can write a good business hand, add a column of figures with accuracy and dispatch, and compose a good letter. They can step into a business man's office, take his dictation and transcribe his letter on the typewriter. They can keep his books, make out his bills and collect them for him. This is what good salaries are paid for and always will be paid for.

If you are interested in that kind of an education a letter to the principal of the school will, in return, bring you a letter dictated to a student and a most beautiful catalogue free.

The Woman's College of Baltimore

FOUNDED 1885 OPENED 1888

JOHN FRANKLIN GOUCHER, PRESIDENT

Situation The Woman's College of Baltimore is situated near the northern boundaries of the city of Baltimore, Md., in the new and pleasant residence section, one hundred and fifty feet above tide-water.

Buildings The buildings are seven in number—three devoted to instruction and administration, three to residence. All are new, cheerful and commodious, erected particularly for their respective purposes and containing the conveniences devised by modern architectural science. They are heated from a battery of boilers and lighted by electricity from the new Power house of the College.

Educational Equipment Ample and thoroughly furnished laboratories facilitate study of the natural sciences by modern methods. The apparatus is of recent type, carefully selected. Maps, charts, engravings, photographs and cabinets of specimens and of objects illustrating natural history and the development of the race are liberally provided. There is a good, modern working library of about ten thousand volumes, while half a million volumes are at the service of students in public and institutional libraries easily accessible.

Course of Study The course of study includes prescribed subjects and elective subjects in about equal proportions. Students who wish to follow particular lines of study are enabled to lay a solid foundation for subsequent specialization. Elective courses are offered in Greek, Latin, French, Spanish, Italian, German, English Literature, including Old and Middle English, Mathematics, Geology, Mineralogy, Physics, Chemistry, Botany, Biology, History, Economics and Sociology. Upon the completion of a course usually requiring four years, the student is graduated with the degree of Bachelor of Arts.

Physical Training and Hygiene Every candidate for the degree is required to pursue a course in physiology and hygiene. A commodious modern gymnasium provides systematic exercises according to the Ling, or Swedish, method under careful trainers and supervision of a physician specially prepared in mechanical therapeutics. Halls are provided for basket ball and courts for tennis and similar sports. Care is taken to prevent excess in these exercises.

Entrance Requirements These are the usual requirements of Eastern Colleges and should be met by graduates of good high schools in which at least one language in addition to Latin is embraced in the course of study. Certificates of preparation which furnish full details will be considered when offered by schools previously accredited and if found sufficient will be accepted as substitutes for examination, otherwise examinations will be necessary. Certificates of the College Entrance Examination Board are accepted.

Numbers The College is now (1905) entering upon its eighteenth session. Its alumnæ number about six hundred. Recent graduating classes have numbered from sixty to seventy-nine. The freshman class numbers, and for the present is limited to, one hundred and twenty-five. The students are from all parts of the country. All religious denominations are liberally represented.

Application for Admission Program of the College courses, regulations for the government of the residence halls, blank forms of application and information upon special subjects will be promptly furnished upon request to
